ADDENDUM #1

To: All Prospective Applicants

This letter is to inform you that the due date for proposals submitted to the Department of Fish and Game Fisheries Restoration Grant Program (FRGP) and Bay-Delta Sport Fishing Enhancement Stamp Program (BDSFES), has been extended to May 24, 2007. We encourage you to submit your proposals at any time prior to the due date.

The 2007 Proposal Solicitation Notice (Solicitation) with the new deadline date is available on our web page at www.dfg.ca.gov/nafwb/fishgrant.html.

In order to be considered for 2007/2008 funding, proposals submitted by mail must have a U.S. POSTAL SERVICE POSTMARK no later than May 24, 2007. Proposals delivered by any other means (FEDEX, U.P.S., electronically, etc.), including hand delivery, must be delivered no later than May 24, 2007, at 3:00 p.m.

This extension will allow the Solicitation to be posted on the Department of General Services Contracts Register (CSCR) website (<http://www.cscr.dgs.ca.gov/cscr/>) to reach the broadest group of potential applicants.

We apologize for any inconvenience this may have caused. If you have questions, please contact me at (916) 327-8842, or email: hbirss@dfg.ca.gov.

Sincerely,

A handwritten signature in cursive script that reads "Helen Birss".
